## 1976 OAK

As stands the oak tree, sturdy and unbending against the forces of time and oblivion, so may this OAK stand, guarding against forgetfulness the memories both of work and play of your years at Indiana.

The IUP football team did well this year, breaking several school records through the season.

In the Northwood game Lynn Hieber passed former IUP record holder Micky Watson for attempts by an Indian quarterback in a career. Hieber's 24 attempts gave him a career total of 431 surpassing Watson's total of 426.

The Cortland game was the last in a series with IUP winning all six games. In this game Hieber was intercepted for the first time in the season and Tom Alper was one-for-two in his field goal attempts for the season.

Don Kenny recorded his second interception of the year in the game against Slippery Rock. The IUP all-time total offensive yardage record was broken by Lynn Hieber whose total of 4,038 broke Wally Blanca's 3,861.

The first lose of the season came with the Edinboro game with Lynn Hieber hitting 10 of 23 passes. Green, a 210-pound junior from Edinboro, smashed the IUP defense which was allowing only 88.7 yards per game rushing during the first three games.

The last game between Westminster and Indiana proved to be an exciting grid-iron, non-league clash. Len Pesotini set a school record for the most interceptions by a receiver in a single game and Alper punched a 36-yard field goal with seven seconds remaining in the game.

Entering the season with a 23-game winning streak against Pennsylvania Conference opponents, Slippery Rock fell hard to the IUP victory. Both teams scored all points in the first half, with little happening in the second half and a final score of 13-9.

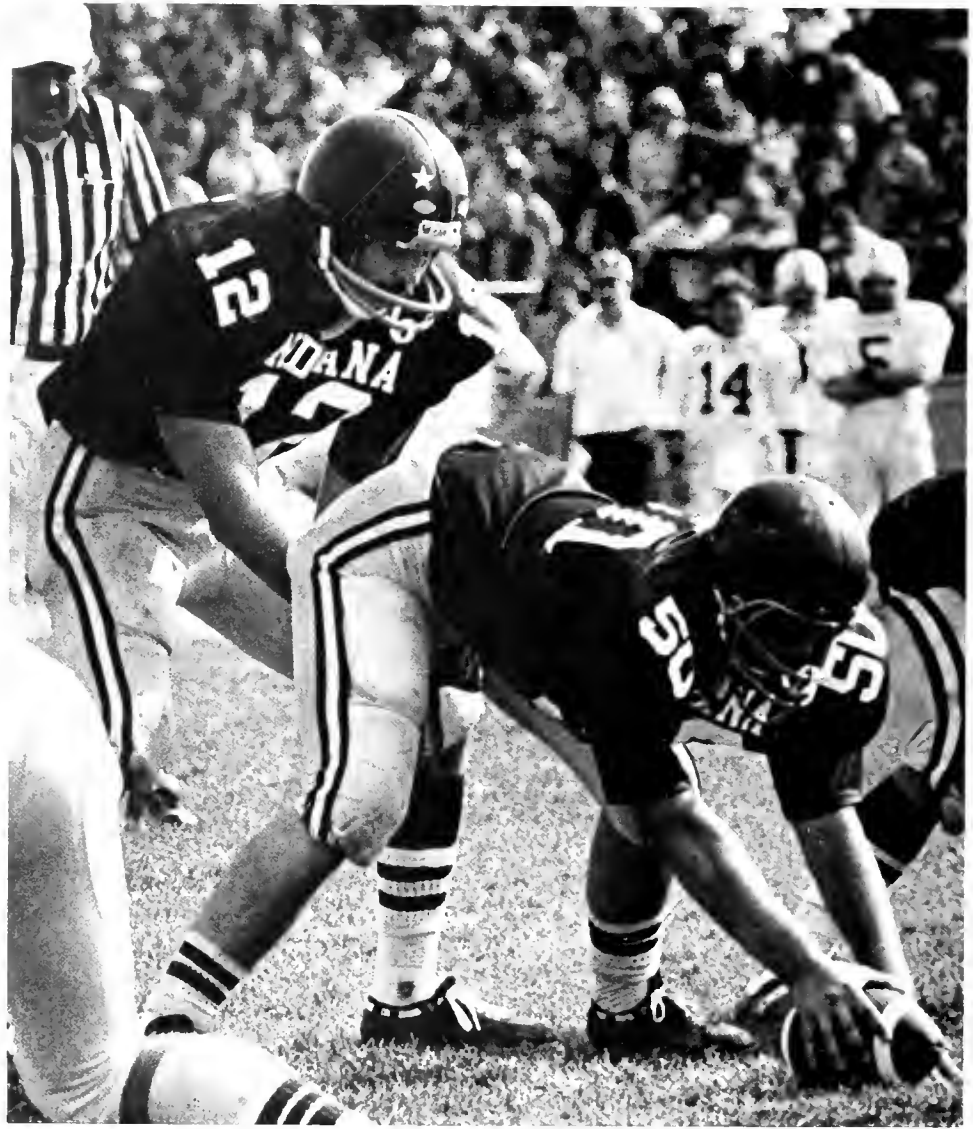

The only concilation the Indians had for their attempt at breaking the Homecoming jinx was a 16-16 tie score against Clarion. This tie nearly eliminated IUP from the Pennsylvania Conference title. Hieber however, broke a school record with 340 yards passing. Two more school records were also set by Len Pesotini by catching seven passes to bring his season total to 49 through the first six games and 707 yards on reception. These figures surpassed the 1965 record of 47 catches and 655 yards set by Gary Milanovich.

Having a prosperous year the IUP cross country team lost only one dual by one point throughout the season, this being against Slippery Rock 32-31. Cunkelman, who up until this meet was Indiana's most consistent runner, finished 16th overall and IUP's Dick Wolfe finished second behind Slippery Rock's first place runner. This meet however, placed Slippery Rock and Indiana in equal balance. Slippery Rock beating IUP once and IUP beating Slippery Rock once within the past two years.

At the California Invitational Cunkelman finished 12th, first among the Indiana runners. Pitt who won the meet, grouped together and IUP was unable to close the gap, coming away with a 3rd.

At the Malone Invitational IUP's Dan Friedrich took second and Dan Cunkelman, one of IUP's top runners took fourth, aiding Indiana in a 2nd place.

The Indians continued their upward movement taking 1st at the IUP Invitational, with six runners in the top 20. This was an important meet because the team had to win one invitational to be eligible for the national meet.

The team's easiest race of the year was against Grove City, who had only one top runner in the second place. Leading the way for the Indians was Joel Sprague and rounding out the top five positions were Mark Noll, Dave Thompson and Ken Trilli.

Indiana placed 2nd at the Penn-Ohio meet with five of 20 top runners. The Indians finished just behind Malone 50-51, who they beat earlier in the season at the Malone Invitational.

The 1975-76 IUP swimming team put together its best season in its history. The dual meet record stands at 7-2 with wins over Youngstown, St. Bonaventure, Appalation State, Cleveland, Grove City, Slippery Rock, and California and losses to Clarion and Penn State. The team led by Coach Ralph Johnson did well in championship competition winning the 1975 Indiana Relays and finishing third in the Pennsylvania State Conference Meet. This was the first time an Indiana swimming team has finished in the top three teams of the conference.

This year the team had seven members who qualified for the NCAA Division II Championship Meet, led by captains Erik Hangeland and Doug Bennick. Others who qualified included Emilio Abreu, Bill Kane, Coug Cooper, Steve Troglio and Bruce Kirk.

During the course of the season the team members broke almost all of the school and pool records. Indiana swimmers hold three state records also. Other outstanding performers this year were Ed Jackson, Bruce Jackson, Brian Nelson and John Sphon.

INDIANA, PENNSYLVANIA 15701

THE PRESIDENT

To the student body:

For the graduating seniors, the OAK chronicles your senior year at Indiana University of Pennsylvania and will evoke memories of a particularly significant period of your life.

For the rest of the student body, the OAK portrays life at IUP and suggests what may be expected for the remainder of your time here. Since I arrived on campus last fall at the same time as the incoming freshmen I have enjoyed with them the experience of becoming acquainted with the IUP community, its proud heritage and bright expectations as it embarks on a new century.

I am grateful to all students for your cooperation in making my first year such an enjoyable one. I look forward to seeing the graduating seniors maintaining an active interest in IUP and returning frequently to our campus.

Sincerely,

A handwritten signature in cursive script that reads "Robert C. Wilburn".

SPRING

**"PEOPLE WHO NEED PEOPLE  
ARE THE LUCKIEST PEOPLE IN THE  
WORLD."**

You grope for a sense of belonging at a university of 12,000 faces. Faces with a mirage of messages caught in a mirage of activities. But you are an individual, a somebody, you live, breath, feel, you make a difference now. So you join "the group". YOU write the article, YOU take the picture, YOU plan the trip, organize the rally, direct the performance, keep the team winning. YOU aren't going to sit back and party four years of college away, YOU'LL do more than go to classes (sometimes), eat, sleep — exist. You're alive, enthusiastic, and you let people know it.

If you're the member, the president, the chairman, the captain, the editor, you make your mark extended in a group effort. You try to promote in-group solidarity, it's hard work, but it's fun play also. Sometimes you wonder if it's worth all the effort. You ask yourself, "What have I got to gain other than something that will fill the white space on my resume?"

So you grope, you join, you participate, you lead and your purpose becomes clear.

"We are accountable only to ourselves for what happens to us in our lives. We must realize that we have a choice: we are responsible for our own good time."

"When you stop trying to get from people what they can't give you, you can begin to enjoy what they can offer. People can share whole worlds with each other but first they must have access to their own."

In the past year Phi Sigma Kappa has grown to be one of the largest fraternities on campus, with 78 brothers. At Homecoming they were presented with an honorable mention in the Dean's Cup Competition; the first time such a distinction was made because of the closeness of the competition. Community service ranked high on the list of Phi Sigma Kappa priorities as they collected over \$8,000 for groups such as the Cystic Fibrosis Foundation, Ebensburg State Hospital and the Open Door. Hopefully, next year will show the continued progress and growth of Phi Sigma Kappa.

# THETA CHI

Presently consisting of 67 active brothers, the Epsilon Eta chapter of the Theta Chi fraternity was founded in 1957. Again this year, Theta Chi served the community contributing to the Big Brother – Big Sister program through their annual marathon. The contribution comprised 85% of their annual budget.

In intramurals it remains among the top ten consistently. Many brothers are and have been contributing to IUP's football, soccer, tennis and wrestling teams.

With a membership of 65 girls, Alpha Sigma Tau participated in Homecoming, Derby Days and took second place in Greek Sing this year.

# INTRAMURAL STAFF

# FALLING STARS

After a late entry into the 1975 intramural competition, Falling Stars, consisting of only 12 members, took first place in every event they entered. Sports included basketball, softball and badminton, in which they placed both first and second. This outstanding performance enabled them to capture the all points title in the women's division.

In 1976, Falling Stars became a recognized club at IUP, and the roster has expanded in order for the team to enter a wider variety of sports such as pool, volleyball and archery.

# MARCHING BAND

Since its organization in the 1920's the IUP Marching Band has been an ever-changing organization. This year, under the direction of Frank Dillard, assisted by Gary Orner and Charles Spicer, the band added flag and rifle teams, majorettes, and the first female Field Conductor in its history, Gayle Kubelick, to its ranks.

Its 120 members perform at all home games, two away games, guest appearances at several high schools, pep rallies, Freshman Orientation, weekly post game concerts, the Homecoming parade, and the annual "Bands in Revue" Concert.

If your roommate happened to be a member of the band you could be assured of several things:

- 1) When you arrived in September the room belonged to your roomie already and you were just visiting for a year.
- 2) There would always be a supply of white shoe polish, muddy shoes, dirty pants, and sweaty shirts in the closet.
- 3) You knew where he would be from 4:10-6:00 every Monday, Wednesday, and Friday from the beginning of school until Thanksgiving vacation.
- 4) He would acquire an ever-changing and vastly larger vocabulary before the end of the season.
- 5) And above all, regardless of how you felt after the party Friday night, he would be sure to get you up and out of bed when he left for rehearsal at 7:15 Saturday morning.

The Delta Phi chapter of Alpha Phi was founded at IUP in 1965. The sisters are involved in many activities on campus including mixers, Homecoming, Sigma Chi Derby Days and Greek Sing, where they won third prize this year. As their philanthropy project every spring, the sisters kidnap the IUP basketball team and demand donations to the heart fund for ransom.
